

Miniature Wedding Ring

When working in a scale this small, it is best to use one-color prints in a small scale or solids.

Requirements:

1/2" Half Square Triangle Paper™ -- 2 sheets

Fabric 1 – 5/8 yd – Background

Fabric 2 – 1/2 yd – Blocks and accent border

Fabric 3 – 3/8 yd – Border and binding

Cut 36 -1" squares from fabric 2. Cut 45 -1" squares from fabric 1. Cut 4 -3" squares from fabric 1.

1.  Using 1/2" half square paper layer fabric 1 and fabric 2 right sides together with paper against fabric 1. Stitch on all the dotted lines, cut on all solid lines, tear paper away and press seams toward darker fabric. Make 144.

2. Cut 2 -6" squares from fabric 1; cut in 4 diagonally. Cut 2 -4" square from fabric 1; cut in half diagonally (corners).

3. Piece the block following the diagram. Make 9 blocks. Piece squares into rows, then piece the rows together.

4. Turn blocks on point and piece into a diagonal set with the squares and triangles cut from background fabric. Your side triangles will be larger than you need, but it is better to have some float.

5. Square your quilt top to 12 1/2". Cut 2 accent border 12 1/2" x 1". Add to the sides. Cut 2 accent borders 13 1/2" x 1". Add to the top and bottom. (The quilt pictured on the cover shows triangle squares in the corners. These were leftover from stitching the paper.)

6. Measure for second borders and cut two strips 2 1/2" wide by the length you need (should be 13 1/2"). Add to the sides. Remeasure and cut two strips 2 1/2" wide by the length you need (should be 18 1/2").

7. Layer, quilt, and bind.

Designed by Mimi Shimp for use with Triangle Paper for Quilters™. This pattern is provided free for personal use. It may not be used for resale or any other commercial purpose.
